

COLLABORATIVE FAMILY LAW PROFESSIONALS OF MARIN

What's the Brain Got to Do with It?

Essential Knowledge and Practical Skill-Building
for Collaborative Teams and Conflict Resolution Professionals

Featuring

Nancy Cameron, Q.C.

Participants in this experiential, skill-building training will:

- Learn why brain function is relevant to our collaborative work.
- Integrate and apply cutting-edge brain research on decision-making, interpersonal communication, emotions and perceptions.
- Incorporate new practical skills based on brain research that can be used in working with both clients and teams.
- Increase personal awareness and ability to be present and more effective in your work.

Class Materials, Continental Breakfast, Lunch & Snacks included.

INSTRUCTOR

Nancy Cameron, Q.C. is a collaborative family law practitioner, author and educator. She is the immediate past President of the International Academy of Collaborative Practitioners (IACP), and is just completing her sixth year of service on its board. Ms. Cameron wrote the ground-breaking interdisciplinary team practice book, *Collaborative Practice: Deepening the Dialogue*. She has been a speaker, a trainer and training designer in the area of collaborative practice to groups in North America, Europe and Hong Kong. She spent three years as an adjunct professor at the University of British Columbia Law School teaching a course in Collaborative Practice.

CONTINUING EDUCATION CREDITS

CCRE is a State Bar of California approved MCLE and Family Law Specialization provider, and an approve Board of Behavioral Sciences provider. Nancy Cameron is an Approved NY MCLE Jurisdiction Provider for Programs Exceeding 1 hour. The Northern California Mediation Center (NCMC) is a co-sponsor of this event and is an Approved Provider for the California Psychological Association (MCEP).

CANCELLATION POLICY

CANCELLATION POLICY: Upon prior written notice, registration transfers to another person may be made at any time without a fee.
